# Galla's "Buffalo Style" Pizza

Buffalo, New York is home of the slate crust pizza. First started on the west side of Buffalo, the slate crust is light and airy, yet crispy, which serves as the foundation for our delicious homemade sauce, creamy mozzarella that is grated fresh every day, and a generous amount of your favorite toppings. Galla's was the first to introduce the slate crust to Atlanta. A good pizza starts with the crust and builds from there. Our dough is made fresh in house, takes three days to proof properly, and then is baked to perfection in classic stone deck ovens. Medium pizzas are 14" and larges are 16". Both are bigger than average pizzeria's medium or large pizza.

All pizzas are cut into squares unless slices are requested.

We do not believe in cutting any corners when it comes to quality, which is why SATISFACTION IS GUARANTEED.
